

Recommendation Letter

To Whom It May Concern.

This letter serves to confirm that 9dots is our AX vendor. Thus far, they have continually extended superior service by satisfying our needs when we faced an issue or requested for support. They have proven themselves to be a reliable provider of consulting services. Ken was responsible for implementing our project. The project is live and very stable. His breadth and depth of knowledge qualifies him to implement complex projects in project accounting and supply chain.

Given our experience with 9dots, we are happy to recommend them for any future AX implementations. If you have any questions, feel free to contact me via email ho.chun.wee@tractors.simedarby.com.sg

Yours faithfully,
